

HEALTHEQUITY[®] PAYCHOICE[™] BILL PAY

Paying for or getting reimbursed for your portion of medical claims is easy with the HealthEquity[®] PayChoice[™] bill pay system.

Whether you have a health savings account (HSA), flexible spending account (FSA), health reimbursement arrangement (HRA), or any combination of accounts, the PayChoice system lets you quickly and conveniently pay and get reimbursed for claims right online.[†]

To access the PayChoice system, simply select “View Open Claims” under the My Money section in your HealthEquity member portal at www.myhealthequity.com.

Directly from the online member portal, the PayChoice system lets you:

- ▶ Pay provider claims.
- ▶ Reimburse yourself for eligible out-of-pocket expenses.
 - Have HealthEquity directly deposit reimbursements in your bank account or send you a check.[‡]
- ▶ Schedule provider payments and reimbursements for later dates.
- ▶ Make a contribution to your HSA, if you have one.

More Ways to Pay

If you have an HSA, HealthEquity offers checks for easy payment at the point of service. When your provider deposits the check, the portal automatically shows your claim as paid.

For select accounts, use your HealthEquity debit card to pay.

Submit a form for reimbursement—available in the Forms and Docs section of the portal—and mail or fax it to HealthEquity.
