

Free Investment Options

Health savings accounts (HSAs) provide you the opportunity to build equity that can help you pay for your health care now and in the future. Through responsible spending and saving you can build up a substantial amount of money! HealthEquity provides even further opportunities for you to grow your account through free investment options. Investment options are available to anyone with more than \$2,000 in their account. There are no set-up and trading fees and no minimum investment. Investments are not FDIC insured. Investment options are available through your online portal at www.myhealthequity.com.
