HealthEquity, Inc., and SelectHealth Announce Alliance

HealthEquity®, Inc. is excited to announce a strategic alliance with SelectHealthSM, a Utah-based, nonprofit health insurance company, to provide health savings and reimbursement account administration coupled with advisory services to help consumers manage the financial side of health care.

“We are thrilled to be partnering with SelectHealth to provide best-in-class, user-friendly health care accounts to the Utah market,” notes Stephen Neeleman, M.D., CEO of HealthEquity. “SelectHealth has long been considered a leader in providing access to high quality health care and cost effective services. We look forward to expanding our relationship with them.”

SelectHealth members will benefit from the alliance, according to Sid Paulson, SelectHealth president and CEO. “HealthEquity is a great match for SelectHealth because we share a commitment to provide affordable health plans and excellent customer service,” he said.

HealthEquity and SelectHealth will offer integrated enrollment and claims, which will make it easier for members to use the benefits of health savings accounts to fund their healthcare needs. Additionally, SelectHealth clients will have access to HealthEquity’s complete set of health care financial services tools including 24-hour customer service, online diagnostic programs, and other cost-saving tools.

About HealthEquity, Inc.

HealthEquity is a consumer-focused health care services company that enables health insurers, benefits administrators, employers, and financial institutions to provide employees and consumers with a personal Health Savings Account integrated into their health plan’s claims platform, enabling easy payment of claims and tax record-keeping.

All accounts also include 24/7 access to a knowledgeable personal advisor to help consumers better understand and manage the financial side of health care.
